Dear Member of the table tennis family,

I hereby confirm my support and that of the Belgian Government for Jean-Michel Saive's candidacy for the Presidency of the International Table Tennis Federation.

As a former international player, an erstwhile world number one and boasting an impressive record of achievements at European and world level, he is definitely a leading sports personality. His huge experience in the world of sport and his enviable management skills are valuable assets for the International Table Tennis Federation. I am delighted that his sporting ambition has played a role for Belgium that transcends sports.

I wish him every success with his candidacy and hope he will have the honour of representing Belgium in such a high position of leadership.

Yours sincerely,
